The Rules - In accordance with the Heelwork to Music L Regulations:

Heelwork: The principal element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left- or right-hand side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dogs' shoulder should be approximately level with, and reasonably close to the handler's leg. All other positions are defined as freestyle. A minimum two-thirds of the routine should consist of heelwork.

Freestyle: A freestyle routine will be the dog working off lead and contain movements in any position. Heelwork is acceptable although such movements must not exceed one third of the routine.

Routines are scored on three categories: Content & Flow (C&F), Accuracy & Team Performance (A&TP), and Musical Interpretation (MI). There can be Deductions (Deduct) for excessive noise or barking.

Crufts Judges (Including YKC):

Head Judge: Gina Pink, Louise

Ballard & Carmen Schmid (Germany)
